

DALRC Official Position Regarding the  
American Airlines Bankruptcy

We have had word that someone from AA may contact us to talk about their situation in the AA bankruptcy. Our official stance is:

1. DALRC will not seek out or contact AA personnel for any reason pertaining to the AA bankruptcy. Instead we will wait for them to come to us.
2. If anyone does come to us, our position is that we have no standing to give legal advice and will suggest that they get a good bankruptcy lawyer as soon as possible.
3. If they want to talk about DALRC as an organization, how it came to be, etc. we will tell them the story.

Direct inquiries to:
